## *History of Licking Township Schools*

Many small, one room schoolhouses were located around Licking Township. Many were of clapboard but it was not uncommon for them to be of brick, usually made on or near the premises. These buildings were often constructed by individuals or neighbors for the benefit of the children in small geographical areas. The amount of students they served was dependent upon population, modes of transportation, availability of individuals that could teach, and as always, monies to support them.

As towns and villages grew larger schools were built. Buses replaced walking, horses and horse powered vehicles which allowed a building to serve youngsters from a larger area. At what point School Boards, County Educational Services and tax levies to support schools entered into this pattern was not researched, but the Schools listed in the following text are an example of the 150+ year evolution to what we now remember as Jacksontown High School.

**Lloyd Shop School:** On the corner of Lloyd Shop Rd. (Now LC #343), and Rt. 13. south of Newark. In 1914-1915 it had about 20 students and was taught by a young man about 19 years old. Building no longer standing but is shown on the Licking Co. 1875 Atlas.

**Messmore:** A frame building at the SE side of the woods near the railroad track and the intersection of Lancers Rd. (Twp. #327) and Co. Rd. #596 (Cristland Hill Rd.), north of present Interstate I-70. Believed to be on the old Green property. The Messmores had lived in the community in the early 1800's. A Poem called "The Old Messmore School" written by Helen Wallace Redman, was composed for the reunion of pupils and teachers of the school in 1938. Part of the building may have been incorporated into the frame house on Rt. #40 that is owned by George Davis.

**Locust Grove:** South side of White Chapel Rd., west of the Pitzer property.

**Roley:** A one room brick on Rt. 13 between Jacksontown and Thornport, on the hill of the old Roley property (1875 Atlas). Youngsters went there in the 1800's. Some Frymote children attended this school.

**Brumback/Brumbach:** A one room frame building on the old John Brumback property, now Dawes Arboretum. Built in the mid-1800's by John being concerned about the education of his and neighbors children. Area incorporated into the Jacksontown school system in 1919 and the school closed in 1920. Building converted into a residence and the Carmen Wise family resided there for many years. Carmen was a pupil there in the teens. Many Jacksontown graduates taught there: O. Dustimer, Lura Beard, and Doris Orr.

**Old School House on the Wallace Property:** On RT. #40 ½ mile east of Jacksontown. A frame building that the Wallaces used to store old machinery until it was torn down in the late 1940's or early 50's.

**Fleatown:** Near the old Baptist Church and primitive graveyard. Exact location not known.

**Jacksontown School:** Later, the Grange Hall was built in 1860, and was erected behind the Methodist Church, off Rt. #13, south of the center of town. The frame building had two rooms with the high school on the top floor. Although there are no records of any students graduating in 1917, the class of 1918 was possibly the last class to graduate from this building.

Information leads us to believe the class of 1919 was the first to graduate from the new brick building, but construction could have interfered. The building was razed in the 1980's.

Schools located in neighboring townships also merged together and finally were incorporated into the Jacksontown School System.

***Franklin Township:***

***Tippett:*** A frame building on Linnville Rd.

***Beal:*** A frame structure on Flint Ridge Rd. — on old Beal or Hoskinson property.

***Linnville:*** A frame at the corner of Linnville Rd. and Rt. 40, on the old Kelsey property. A photo of the students that went on to Jacksontown is enclosed.

***Luthern Church School:*** Across from the Lutheran Church on Linnville Rd.

***Pleasant Chapel:*** On Pleasant Chapel Rd., south of Beal Rd. On old Inlow property.

***School on Blue Jay Rd.:*** Old Irvin property. Now in Madison Township.

***School on Davis Rd.:*** On old Gutridge property.

***Franklin:*** Consolidated with Jacksontown to form Lynnwood School District.

***Bowling Green Township:***

School at the corner of Honda Hills Rd. and Somerset Rd. old Burge property

School on Laurel Hill Rd., old J. Orr property.

School on north side of Rt. 40 half way between Linnville and Brownsville.

School on west side of Midland Oil Rd. Cooperider property.

***Jacksontown School:*** A brick building built in 1918 on the north side of Jacksontown that was enlarged for the first time in 1936. The ground was broken on Nov. 18, 1935, the first brick was laid in the north wall on Jan. 14, 1936 and the cornerstone laid in place March 31, 1936. This addition included a gym, stage, cafeteria, showers, and a large area for shop/classrooms. During the construction the Town Hall was used for plays and basketball games as it had for several years. By Jan. 1 1937 the Town Hall became history as the new addition was completed. On Jan. 23 both boys and girls basketball teams initiated the new gym by winning both games from Alexandria.

The last graduating class at Jacksontown High School was in 1959. The first class to go to Lakewood High School graduated in 1963. The ground was broken for the consolidated school called Lakewood in 1958. This would be a consolidation of Jacksontown and Hebron schools.

THE FIRST COMMENCEMENT HELD IN THE YET UNFINISHED GYMNASIUM IN 1936.

The following group pictures were available from two schools that eventually made up the Jacksontown School District. The Linnville School and the Jacksontown School that is referred to as the "Old Grange Hall." The graduates pictured in this book, from 1892 to 1917 went to this building behind the Jacksontown Methodist Church. The classes from 1918 to 1935 attended the present brick building, but any graduation ceremonies were probably held in the town hall as were all the plays and basketball games.

THE FOLLOWING PICTURES ARE THE ONES THAT GRACED THE WALLS OF JACKSONTOWN HIGH SCHOOL. WHEN THE BUILDING BECAME AN ELEMENTARY BUILDING FOR THE LAKEWOOD SCHOOL DISTRICT THEY POSED A PROBLEM DUE TO THE REPAINTING AND THE LACK OF CLEANING AND MAINTENANCE THEY NEEDED TO PRESERVE THEM. THEY WERE STORED UNDER THE BLEACHERS FOR YEARS UNTIL IT WAS EVIDENT THAT THEY WERE SLOWLY DETERIORATING AND SOMETHING HAD TO BE DONE IF THEY WERE TO SURVIVE.

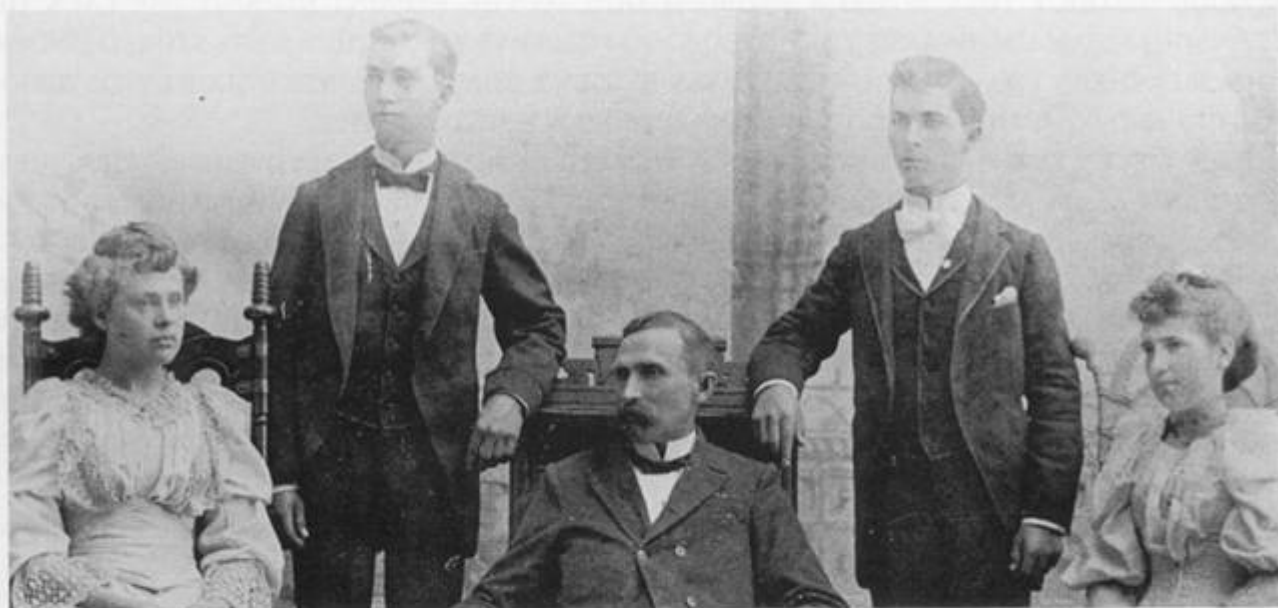

THEY WERE REMOVED AND STORED IN A PRIVATE ATTIC UNTIL THEY WERE REFURBISHED WITH NEW GLASS AND THE FRAMES REPAIRED. THEIR LARGE SIZE AND WEIGHT MADE THEM DIFFICULT TO STORE, AND FINALLY A FEW GRACIOUS ALUMNI HAD THEM REDUCED TO 8X10 PHOTOGRAPHS AND THE VARIOUS DESIGNATED MEMBERS OF EACH CLASS TOOK RESPONSIBILITY FOR THE ORIGINAL PICTURES. THE BOOK COMMITTEE HAS UNDERTAKEN TO PLACE THEM IN THIS BOOK THAT WE HOPE WILL GIVE YOU PLEASURE AND FOND MEMORIES AS YOU BROWSE THE PAGES. MAY YOU REMEMBER THE GOOD TIMES OF YOUR SCHOOL YEARS AND THE FRIENDSHIPS THAT DEVELOPED WITH YOUR FELLOW CLASSMATES WHEN LIFE WAS FAR LESS COMPLICATED.

AS YOU HAVE PROBABLY NOTICED THERE ARE YEARS THAT NO GRADUATES WERE RECORDED. NO EXPLANATION WAS FOUND EXCEPT THAT MANY TIMES, FOR SOME UNKNOWN REASON, THERE JUST WASN'T ANY. IN BROWSING THROUGH SOME ALUMNI BOOKS FROM OTHER SCHOOL DISTRICTS WE FOUND THE SAME SITUATION.

ANOTHER PROBLEM WAS THAT SOME CLASS PICTURES WERE TAKEN AS INDIVIDUAL PORTRAITS INSTEAD OF GROUP STYLE. AN EXAMPLE OF THIS IS THE CLASS ABOVE THAT ONLY TWO PICTURES WERE FOUND, SOME IN THE POSSESSION OF SONS OR DAUGHTERS.

WHEN A PHOTO WAS LENT TO US, COPIES WERE MADE FOR OTHER MEMBERS OF THE FAMILY TO SHOW OUR APPRECIATION AND A NEGATIVE WILL BE ADDED TO THE REST THAT ARE KEPT IN A SAFETY DEPOSIT BOX.

This was the last graduating class from the brick school building on Rt. #13 we remember as Jacksontown High School.

The same consolidation process that created it in 1918 from one room schools scattered through out the rural country side, then changed it's name to Lynnwood High School in 1957 when consolidated with Franklin Elementary, now changed it to the Jacksontown Elementary Building for the Lakewood Local School District.

Gone is the Farm Shop where Mr. Balo taught "Ag" while the girls took Home Ec. The gym where the Reserve and Varsity Basketball Teams practiced and played to packed bleachers on Tuesday and Friday nights now ring with the noise of children playing at recess and the P.T.A. meets each month in the evenings.

The stage with the autographs of famous actors from many class plays where graduating seniors received their diplomas now used by the "Little Ones" for their programs.

Front Row-Left to Right: John Paulsen, Jerry Beaver, Dave Priest, Jack Tiebout, Larry Weiss, Jack Davis, Gene Backentos, Jerry Mills, Bill Lamp  
 Back Row-Left to Right: Coach Jack Gill, Jerry Gill, Jim Turner, Larry Ranek, Carl Holman, Bill Mills, Junior Cochran, Ass't coach Walt Gawronski
